

HELLO AGAIN EVERYBODY

It's Furcation time of year again but for the second year running, we're stuck in a position of running a virtual convention. I know this isn't where everyone expected us to be this time last year as we all thought that we'd have had the vaccine rollout and things would go back the way they were, and they somewhat have but at this point, the risks still outweigh the benefits for us so the virtual con was decided as the way to go.

We would have liked to have had a return to a physical convention this year but in full honesty, we couldn't quite get to a position where we as staff felt we could run you the full convention that you all deeply desired at this point in a safe and effective manner. There were concerns about pre-convention Covid testing, making sure we've catered for all attendees needs and concerns, hygiene and cleanliness at the convention itself and the risk that people could contract Covid from Furcation. We could put a lot of measures in place but you've all seen how 'Con Crud' happens around convention time and we'd rather not have 'Con Covid' at this time!

All being well, we very much expect a return to normality next year so watch this space, I am sure November 2022 will be the return to normality and the physical convention we're all anticipating.

Anyway, enough doom and gloom, onto brighter things!

We've learnt from last year what worked and what didn't work so we're hoping that we have an improved virtual convention experience for you all to enjoy this year. We have a whole host of new things for you to explore this time around. We have the new VRChat resort, we have a Minecraft server, we have a world set up in NeosVR, we have the continuation of the Discord, live streamed events and plenty of opportunity for you all to participate and have fun. We also have the return of the Dealers Den hosted in the Discord but we also have dealer spaces in the Minecraft server and in VRchat as well so plenty of places for you to peruse. The details of how to access all of these spaces can be found on the website, <https://2021.furcation.org.uk/events>.

Our charity for this year is the NSARDA (National Search and Rescue Dog Association), details of which can be found on the website at <https://2021.furcation.org.uk/charity>. This is a worthy charity for us to support as they operate across the UK offering trained dogs for missing person rescue efforts.

I hope you all enjoy the virtual convention this year and certainly watch this space for full details of our 2022 convention which should be the return of the Rawring twenties theme and a return to John Fowlers and the Sandy Glade holiday park.

Best wishes

Jasper Foxx

Chairman of Furcation

12TH NOVEMBER - 14TH NOVEMBER
FCTV SCHEDULE - FRIDAY

6PM OPENING CEREMONY

Dig out those swimming costumes and fire up the music, it's time for a Pool Party! Jasper Foxx and Anthropuppy will be kicking off with our opening ceremony.

7PM VR EXPERIENCE - NEOS

Join us as we bring you an insight into the metaverse. Join MattyK as he shows you around our pool inside Neos, and shows you what this up-and-coming experience can offer. If you want to join in and be on the stream too, everybody's welcome!

9PM CATNIP RADIO WITH DJ GOTHICAT (DISCORD)

This year, we've teamed up with the team at Catnip Radio to bring you not one, but two DJ streams. The first will be DJ Gothicat on Friday. You can listen either via the Discord, or via Mixcloud via <https://mixcloud.com/live/catnipradio>. Requests are also always welcomed!

12TH NOVEMBER - 14TH NOVEMBER
FCTV SCHEDULE - SATURDAY

12PM TIKTOK FURS

Is TikTok still a big thing? Apparently it is, and Aries is going to show you how to make the most of it. (Edit from Frankie : Come on, entertainments manager, keep up with the times!)

1PM DEALERS SHOWCASE

No convention is complete without a dealers den, and we have ours on the Discord. We're going to be showcasing what our dealers have to offer, as well as talk to some of them live on air, hosted by Foxiekins!

2PM VR EXPERIENCE - VR CHAT

As well as our offering from Neos, we have also built Costa Del Furc in VR Chat. Remember those villa hotels? Well, we have our own, and Sterling is going to show you around. Again, if you want to join in and be on the stream, come and show yourself having fun there!

3PM ONLINE EXPERIENCE - MINECRAFT

What's this? (Insert stereotypical joke here), we have another thing for you all to enjoy? Indeed we do. We've built a whole Minecraft world for people to enjoy, and Matrix Husky, Frío and Jack Cabbit are going to show you around.

4PM FALL GUYS @ FURCATION 2021

It's audience interaction time... with a twist! If you have the game Fall Guys, ZephyrFloofyDerg is going to be hosting two hours of absolute madness. Some of the Furcation staff may even join in, too... Ultimate bragging rights if you beat them.

6PM MY FIRST FURRY CON

Conventions are slowly making a return... Hopefully, we will too next year. Have you never attended a convention? Ulfer Wolfy will be showing you how to make the most of your time, as well as some very important things to remember.

7PM FURCATION 2021 CONCERT

One hour of amazing music from the equally as amazing Fox Amooore. I don't think much more needs to be said, a great way to kick off a night of music.

9PM CATNIP RADIO WITH DJ ULFER (DISCORD)

The second of our visits to Catnip Radio. DJ Ulfer (Yes, Ulfer Wolfy) will be taking the stream for a Saturday Night Dance, and maybe the cheesy stuff you all know and love from Furcation. You can listen either via the Discord, or via Mixcloud via <https://mixcloud.com/live/catnipradio>. Requests are also always welcomed!

12TH NOVEMBER - 14TH NOVEMBER

FCTV

SCHEDULE - SUNDAY

12PM MEET THE CHARITY

Dogwai will be interviewing our charity for this year, The National Search And Rescue Dog Association. If you have any budding questions about the charity, or if you want to learn more about it, then come along and watch. Remember, we are raising money for them as well.

1PM GREAT VR EXCAPADE 2

The Great VR Excapade 2... that means Furcation are hosting a sequel? That's right, and Ekron and the team will be hosting this for you. Sure to be a lot of fun, especially when done in a virtual world.

3PM CHARITY AUCTION

We will be auctioning your items throughout the weekend, and Foxiekins will be showing you what is on offer. All proceeds will go to our charity for this year. Will the infamous Pot Noodles make a comeback? Only one way to find out.

4PM SO, YOU WANT TO RUN A FURRY CONVENTION?

Ever thought about running a convention? What about the important stuff you need to know? Who better to ask than the chairman of Furcation, Jasper Foxx. He will be going through information you need.

5PM MEET THE MASCOTS

We've asked all of you to put questions to our mascots, Frankie and Clive ferret. This is where they will be answered. Ir  sh Folf will take the start, ready to hand over to our beloved ferret brothers.

6PM CLOSING CEREMONY

The pool cleaner's come to tell us that it's closing time. Jasper Foxx and Anthropuppy will be rounding off the weekend for us and closing this year's pool party... with some very exciting news.
